

VRSA Training for Schools

The Virginia Risk Sharing Association (VRSA) is pleased to offer complimentary access to Vector Training, an award-winning safety and compliance training management system to its members. Trusted by thousands of K-12 administrators, Vector Training delivers high quality, expert-authored courses on important safety and prevention topics.

This convenient online system will streamline training and help educate school staff on signs of grooming and sexual abuse, establishing formal boundaries, and protecting your students.

Who should take the training?

- School employees who interact with students
- School volunteers
- Contractors and their employees who have unsupervised access to students

What do the trainings cover?

Courses are designed to help all school staff meet compliance and safety needs throughout the entire district.

- Compliance topics such as Title IX and Health Safety (BBP)
- Prevention of sexual abuse at school
- De-escalation of students with behavior challenges
- Paraeducator specialized training for student and personal safety
