Virginia Risk Sharing Association

The Virginia Risk Sharing Association (VRSA) has partnered with Berkley Aviation to create the VRSA Virginia Municipal Airport Program (VAMAP).

Created in December 2005, Berkley Aviation offers a wide array of programs including coverage for airlines, helicopters, miscellaneous general aviation operations, non-owned aircraft, fixed-base operations, control towers, airports, financial institutions, and other specialized 'niche' programs.

Berkley's strong financial security, innovative products and superior service make them an ideal partner for VRSA. Berkley Aviation underwrites on behalf of W. R. Berkley member companies: StarNet Insurance Company (A+ XV by AM Best, A+ by S & P) on an admitted basis and Gemini Insurance Company (A XV by AM Best, A+ by S & P) on a non-admitted basis.

Purchasing aviation coverage through VRSA has a number of advantages – including the ability to access all the coverages you need through one provider. VRSA has been providing property and casualty coverage to Virginia local governments for more than 30 years. In addition to property and workers' compensation coverage, VRSA offers public officials liability and law enforcement liability coverage to entities with these exposures.

Having all lines of coverage with one provider allows you to take advantage of VRSA's financial stability, responsive staff, and various specialized services.
